Clinical Form

We integrate user-friendly electronic HIPAA Forms into your website for your patients to fill out in from the comfort and safety of their home via **computer, mobile or tablet**.

After a review of your current software and hardware we make appropriate recommendations on what is the best upgrade your system needs that will provide you with optimal results.

Your company and clients can be rest assured that their confidential information is secure and safe since we utilize the highest security standards that uphold **HIPPA Regulations**.

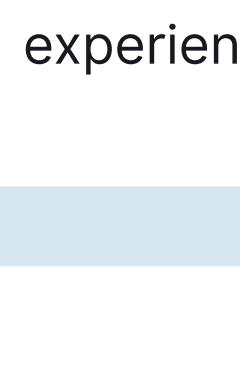

How does this improve your business?

Increase your employee's turnaround times and productivity

Focus more on your patients and less time on "busy work"

Create seamless and less stressful doctor's visit experience

Reduce patients time spent at the office in the waiting room

Increase patient confidence by making your patients feel safer. Reduced times around others in the waiting room will lessen their risk of contracting covid-19, variants or other contagious illnesses
